*Proudly show your support of the  
International Effects of Oil on  
Wildlife (EOW) Conference by  
becoming a sponsor*

EOW has been bringing together wildlife response organizations, regulatory agencies, academic institutions and industry professionals from around the globe since 1982.

Your support helps advance the ever-changing field of oiled wildlife preparedness, mitigation, and response. EOW provides a forum for stakeholders from all sectors to share knowledge, present research, and form partnerships that make a difference.

We invite you to invest in this conference and hope you will join us for a global meeting of the minds in oiled wildlife response, prevention, and research.
